## Countdown to the start of Summer!

We're excited to get the summer kicked off with a number of fun events and activities that will be occurring throughout the summer for everyone to enjoy! If you have not already been receiving our emails or are not following us on Facebook, now is the time to get connected! This is our first of three "monthly" newsletters that we will be emailing out in May/June, July, and August of each year. Also included is a CSTC Events Calendar that will hopefully make planning out your summer with more ease. We are always looking for ways to better communicate with our memberships, and of course we want your feedback! Please contact me directly at [president@canfieldswimclub.org](mailto:president@canfieldswimclub.org) or one of our managers if ever you have any questions or suggestions – we want to hear from you!

As always, we are looking to grow our CSTC family and encourage you to refer any of your friends and family who may be interested in becoming a member. If you have any questions about your membership or how to make a referral, please email us at [membership@canfieldswimclub.org](mailto:membership@canfieldswimclub.org). With that being said, we encourage you to visit the website: [canfieldswimclub.org](http://canfieldswimclub.org) and visit the membership page and review the pool rules and the club bylaws so that we can have a safe and fun-filled summer! Looking forward to seeing you at the Club!
