The Member has ten (10) days from the date of receipt of the forfeiture notice to file objections, in writing, with the Board stating why the Member believes membership forfeiture is not warranted. (f) Set-off. In the event that any Member fails or refuses to pay any obligation which a Member owes to the Club, including but not limited to annual dues, assessments, fines, fees or any other charge incurred by the Member, then in such event the Club is authorized to offset such obligation against a Members capital contribution (stock). The Board of Trustees may delegate to the Club's Manager or Assistant Manager the power to suspend any member for a period not exceeding two (2) days for any cause enumerated in the Administrative Rules. A written report of such suspension shall be submitted to the President within twenty-four (24) hours. Such suspension shall be in accordance with the Administrative Rules established by the Club.

6.08 Withdrawal or Resignation. Any member may withdraw or resign from the Club at any time by appropriately completing the Resignation forms on-line, or as otherwise prescribed by the Board as posted on the Club's website or other approved platform. The proceeds of such sale shall be applied first to any indebtedness owed to the Club by such terminated member, and any reasonable expenses of such sale. The remaining balance, if any, shall be paid to the terminated member within 120 days of sale of the Membership. Memberships forfeited or resignations received on the same day shall be resold in order with the more senior membership(s) sold first.
